

1. Doctor/Institute Login
2. Patient Login

Once the patient clicks to the EOPD, the page will redirect to the EOPD section, where EOPD will have 2 sub section: Ayurveda and Allopathy. If patient selects Ayurveda, the drop of 5 sub-categories (as shown in the below image) will occur.

After selecting the “Ayurveda”, suppose the patient selects “Govt Medical College” from the drop downs. The “Govt Medical College’ will give the drop down of different departments that comes under the Govt Medical College all over India, (and same with Pvt Medical College, RC, Clinics and RxMed Certified WC)

After selecting “Govt Medical College” for Skincare Department, suppose the Patient select “ABC Hospital from Jaipur”. As he will click the hospital name, “Doctors List” will appear with their time and schedule (BOOKED & VACANT). If he will select DR. 1, OTP authentication of mobile number will be received. As soon as the authentication is completed, it will redirect to the payment gateway. Once the payment is done, SUBMIT button, and the appointment is booked. The patient and doctor will receive the message and mail of appointment details.
